

# Welcome Senior/Vet

## Hello and a warm welcome to Brighton Phoenix

**We are very happy you have chosen Brighton Phoenix as your club and we look forward to welcoming you at our training sessions, competitions and other club activities.**

Phoenix is a successful and active club, affiliated to the UKA/British Athletics and as a member, you will get an UKA number allowing you to compete in road, track and cross-country races.

We welcome all levels and have members who are international athletes and others who enjoy running as a way of keeping fit and we also have a thriving veterans team.

As a club we promote individual potential and recognise the benefits of competing both as an individual and also as a team member.

The Senior team compete at various events in road, track and cross country events including The Sussex Grand Prix Series, Sussex Cross Country League, National and Regional Road Relays and Track and Field including the Southern Women's League.

Training sessions are held throughout the week with Wednesdays our main club night when you can link up with other groups. Track night is at Withdean every Wednesday evening come hail, rain or shine.

Also if you are injured or can't make training for a period of time – please let your coach know.

Your Phoenix Club vest is enclosed with your membership card. Wear your vest whenever you compete and make sure when you pin your number on don't hide the Phoenix logo.

Note as a Phoenix member you can get a discount (10%) at most local specialist sports shops, including:

### **CODE OF CONDUCT for Athletes**

All athletes will:

- abide by the club rules
- strive to achieve individual potential
- take pride in being a member of the club
- respect the coaching staff and helpers
- listen and learn from the coaching staff, officials and helpers
- respect other club members & those from other clubs
- show due regard to the safety of others and to oneself
- show correct behaviour when representing the club and at training
- wear the club vest/sweatshirt/hoodie at club associated activities/events
- compete in club matches

**Track Etiquette****General**

- Warm-up in the outside 3 lanes (clockwise)
- Do not hold discussions on the track.
- Check for runners before you cross the track, a runner can be travelling very fast and cannot stop instantly if you step out in front of him/her. (Not quite as bad as a car but you will get hurt).
- Never leave your equipment on the track.
- Always walk around the outside of the track, then cross where you need to be.
- DO NO CROSS THE GRASS INSIDE THE TRACK (unless instructed by a coach).
- If you are running in lane one and someone shouts 'TRACK!' you are to move out to lanes two and three. The overtaking athlete(s) will overtake you on the inside. If no one shouts 'TRACK!' carry on and the athletes will run around you.
- Don't stop suddenly in lane one or sit/stand in lane one after you have finished a rep. There are other athletes on the track. Don't hang around lanes 1/2/3/4 talking and never sit in them.

**Being part of it!**

Discover a whole new world of running, feel involved in something bigger and see the natural progression. As part of a club, not only do you get a team spirit and help and support from your clubmates, in races you can count towards team awards and (hopefully) win prizes.

Enjoy some interesting and enjoyable cross country running. The club will pay your entry fee to some cross country events over the winter, many of which you are unable to enter as an individual.

Share transport to events with your club mates.
